Waltti cards and tickets

A nationwide Waltti travelcard is used in Joensuu Region buses. Tickets are priced according to zones and customer category.

The price of your ticket depends on whether you travel within one or more zones.

There are two different types of Waltti cards to choose from:

- *Personal Waltti:* When buying Personal Waltti card you will need to take an ID with you. It cannot be used by anyone other than the card owner as customer information will be saved onto the customer register. This enables various services.
- *Regular Waltti:* A regular Waltti card can be purchased without registration. Only the customer's payment group (adult, youth or child) will be entered in order to ensure they are paying the correct fare.

JOJO Waltti travel card can be purchased at Carelicum service point (Koskikatu 5) or online at **waltti.fi**.

Ticket types

- *Season ticket,* valid for unlimited travel for 30 consecutive days. You can also find season tickets on the Waltti Mobile app
- *Prepaid ticket,* you can load value (i.e. money) onto your Waltti card
- *Student ticket,* intended for students who are 25 years old or older. Students younger than 25 may travel with a Youth ticket (Waltti card, Waltti Mobile).

You can also use the prepaid Waltti card in other cities' Waltti transit.

Loading tickets onto your Waltti

After you have purchased your Waltti card from Carelicum service point, you can load tickets onto your Waltti card online, in Carelicum, on buses that carry a Waltti sign. You can also load tickets onto your card at R-kioski (Koskikatu 5 and Jukolankatu 19).

Single ticket

You can buy a single ticket on the bus from the driver (with cash or contactless payment), mobile app or prepaid Waltti card. Single tickets are valid from the moment of purchase.
